**PLEASE READ BEFORE SENDING YOUR PHOTO!** Important guidelines for photo riders:

The file must be a .psd, .jpg, .tiff, .eps or .pdf file either created by the original photographer or scanned from a photograph at 300dpi. The size of the photo scanned should be approximately 4"x6" (or larger) before scanning. Please do not resize the photo, we will make any necessary adjustments in-house. Scans taken from business cards or taken off websites are not useable, ever. Please contact us with any questions.
